

Testing User Stories

As an employer I value the importance of making available all the latest up to date forms of training and refreshers that help my staff do their jobs responsibly. In turn, reassure our customers that their well-being is on the front line of my Company's priority.

1. Get to know if the company “The Chef’s Academy”, is a reliable training provider by visiting its social media links, available in all pages.
2. Consult the latest information on food allergens by clicking the “About” option in the Quiz menu.
3. Test the Allergens Quiz.

As a Senior-Chef I am required to master the latest knowledge on all aspects of food preparation to be well equipped to assist on training and supervision of my team. I value all forms of training materials that help me achieve this responsibility.

1. Get to know if the company “The Chef’s Academy”, is a reliable training provider by visiting its social media links, available in all pages.
2. Consult the latest information on food allergens by clicking the “About” option in the menu.
3. Play the Allergens Quis.

As a Chef I am required to be trained in food allergens, so I value all forms of training materials that help me refresh and update my knowledge. A Quiz is a simple and easy way of doing so.

1. Consult the latest information on food allergens by clicking the “About” option in the menu.
2. Play the Allergens Quis and learn more or simply refresh my knowledge.

As a costumer I feel safer by knowing that my food is being prepared by people that were trained and can really understand how dangerous it can be for me if I have a desert containing peanuts...

1. Enjoy my meals safely knowing that companies like “The Chef’s Academy” are out there providing hight standard training to my favourite pub, restaurant and hotel.

2. Enjoy my meals safely knowing that my favourite pub, restaurant and/or hotel value the importance of providing appropriate training to their Kitchen staff.
